

I am going to Skeleton Fest!

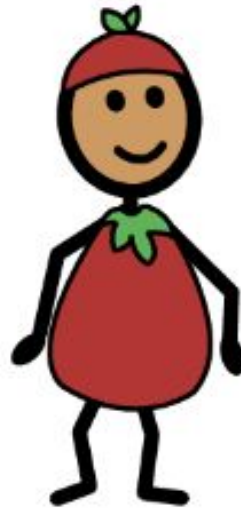

A scripted story for Low-Sensory Trick-or-Treat!

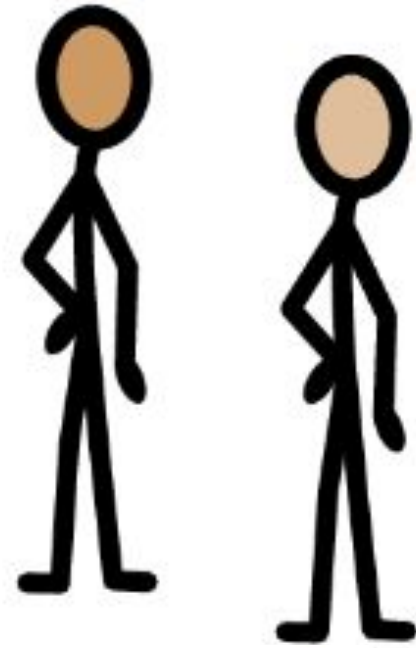

Today I am going to go trick-or-treat in
Shops at Agora!

I will see lots of people, and some of them might be wearing costumes.

I can wear my costume if I want to! It's okay if I don't want to wear my costume.

I will walk through the arch to enter the shops.

I get to visit 7 different locations to trick-or-treat.

1 - Broad Porch Coffee

2 - Heartworn Vintage

3 - Alakazam Toys

5 - Boujie Hippie

4 - Gift & Thrift and Booksavers

6 - Great.full Goods

7 - Lineage

At each location, I can communicate
“trick or treat” and “thank you!”

Trick or Treat!

Thank you!

If I can have candy, I can choose from the white bin. If I cannot have candy, I can choose from the blue bin.

At the end, I can take a picture at the mirror photo booth.

I will have a great time trick-or-treating!
